pilgrim NEWS fellowship

Dear Pfer!

Well, Christmas has come and gone and what a Christmas party we had. So many new, fun games we played, wonderful food, fun was had by all.

But it's not time to hibernate now that it's over. Winter is just starting. We will be having a make-up sledding night now that we have snow. So make sure you write these dates on your calendar as we'll be doing a little of everything.

God Bless —
